

For over 50 years, the Mid Cape Mens Club has been an organization of retirees that enjoy common interests, and especially, a passion for golf on Cape Cod. In addition to promoting community involvement and camaraderie among our members, we have raised thousands of dollars to support local charities. Our recent Christmas raffle/ auction netted \$3000, which was distributed among the following:

- The Cape Cod Regional Technical High School
- The Family Pantry of Cape Cod
- Habitat for Humanity (local chapter)
- The Youth Golf Program at Cranberry Valley Golf Course
- Pleasant Bay Community Boating Scholarships
- The Harwich Fund and Chatham Angel Fund

We are beginning a our annual fundraising campaign that combines golf with an advertising opportunity for local businesses and organizations. This Spring and Fall, we will be hosting a total of 10 golf tournaments at 10 different Cape Cod golf clubs. Expected turnout is 80-120 golfers at each one of these events. Please consider becoming a **Hole Sponsor**. A custom made sign promoting your business will be placed at one of the tee boxes at each event. That's great exposure, for only \$10 per event. Please indicate your preference below:

_____ **Hole Sponsorship(s) @ \$100 each** (total for all 10 tournaments this season). An added benefit is that we are partnering with the Graphic Design Department at Cape Cod Tech to produce your custom sign. We will work with you on design, logo, wording, colors, etc.

Please indicate in the box below how you would like your sign to appear. Any supporting graphics, letterhead, etc. is appreciated.

Please make checks payable to "Mid Cape Mens Club" (or MCMC). Any questions, please call:

Jay Herzog @ 860-463-5537 or
Mark McManus @ 802-770-0650

We thank you for your support.
